Specifications

Interphase barriers 4P for Frame 125 to 250

IB4P125M

Standard	IEC 60947-2
Device application	Insulation accessories
Range of product	MCCB Frame 125/160/250
Product or component type	Interphase barrier
Poles description	4P
Quantity per Set	Set of 6
Range compatibility	MCCB - MF125, MT125 MCCB - MF160, MT160 MCCB - MF250, MT250, ME250
Dimensions mm	58x59x2mm
Product availability	Usually available by product
