Specifications

Interphase barriers 4P for Frame 400 to 800

IB4P400M

Standard	IEC 60947-2
Device application	Insulation accessories
Range of product	MCCB Frame 400/630/800
Product or component type	Interphase barrier
Poles description	4P
Quantity per Set	Set of 6
Range compatibility	MCCB - MF400, MT400, ME400, iME400 MCCB - MF630, MT630, ME630, iME630 MCCB - MF800, MT800, ME800, iME800
Dimensions mm	100x112x2mm
Product availability	Usually available by product
