

Product datasheet

Specifications

Under-voltage release 380VAC for MA2, MA3

UVTU3MA3

Standard	IEC 60947-2
Device application	Protection
Range of product	ACB code MA2, MA3
Product or component type	Undervoltage release
Rated operational voltage, U_s	380V
Rated frequency	50/60Hz
Action voltage	0.35~0.7 U_s
Reliable making voltage	0.85~1.1 U_s
Reliable non-making voltage	$\leq 0.35U_s$
Delay time	0s
Installation side	Right side of the MCCB
Auxiliary connection terminal	Lead wire
